

Registration is open for DSUL 2009.

Games will be on Thursday evenings at the Schaefer Athletic Complex (at Hampden and Kipling) and will begin on June 4<sup>th</sup> with our last set of regular-season games being on August 6<sup>th</sup>. Playoffs will then be on Saturday, August 8<sup>th</sup> there at Schaefer. Please note that there is a new question on the registration form relative to Playoffs. Please pay attention to that question and circle your (*Yes* or *No*) response.

The manual draft will be in place. Drafting Captains (DC's) will be needed. The drafts will take place at the Buckhorn Exchange Restaurant and Saloon on Tuesday evening, May 12<sup>th</sup> for the B division, followed by the A-division draft on Thursday evening, May 14<sup>th</sup>. Compensation for volunteering to be a DC will be their appetizers and beverages of choice on draft night.

Draft registration fees are on a tiered system. A \$65 registration fee is in place until midnight, April 12<sup>th</sup>. A \$75 registration fee is in place from April 13<sup>th</sup> until midnight, April 19<sup>th</sup>. The registration fee then increases to \$85 from April 22<sup>nd</sup> until midnight, April 26<sup>th</sup>. Registration will officially close after midnight on April 26<sup>th</sup>. Players are urged to register online (at [www.dsul.org](http://www.dsul.org)) as opposed to registering via snailmail. Please note that the registration fee increases mentioned above reflect midnights on Sundays if registering online. If you insist on registering via snailmail, those fee increases reflect **Saturday** postmark deadlines. That is, fees increase for postmarks after April 11<sup>th</sup> and April 18<sup>th</sup>. No snailmail registration forms will be processed having a postmark after April 25<sup>th</sup>.

If you are registering online, please fill out all fields, specifically your full address, including city and zip code. Next year's registration mailing is built from this year's registration data. Failure to include your full address this year will result in your not getting next year's registration information. The same goes for snailmail registration; please fill out all requested information, especially the Number of Years Played Ultimate.

Those players interested in having their artwork considered for the DSUL 2009 shirts and discs are encouraged to contact me at the e-mail address shown below.

There will be no dogs allowed on or near the sidelines. Dogs brought to the fields will have to be tethered at the end of the field, beyond the end of the end zone. This will be strictly enforced. Losses (forfeits) will be assigned to the team that any individual belongs to that does not comply with this rule.

A few notes:

- All players will get a 2009 DSUL disc and shirt.
- Cups will not be provided. If you like what I bring, please bring your own cup.
- Please remember to pick up your belongings after your game. The DSUL does not conduct a lost and found.
